

Title	TEKS Alignment																																																			
	Write/Represent Linear Functions, Inequalities, & Systems									Graphs of Linear Functions, Inequalities, & Systems							Linear Statistical Relationships			Solve Linear Equations, Inequalities & Systems			Write/ Represent Quadratic Functions			Graphs of Quadratic Functions		Solve Quadratic Equations		Write, Represent, & Graph Exponential Functions						Polynomial Algebraic Skills						Radicals & Exponents		Analyze & Evaluate Equations								
	2A*	2B	2C*	2D	2E	2F	2G	2H	2I*	3A	3B*	3C*	3D*	3E	3F	3G	3H	4A	4B	4C	5A*	5B	5C*	6A*	6B	6C	7A*	7B	7C*	8A*	8B	9A	9B	9C*	9D*	9E	10A	10B	10C	10D	10E*	10F	11A	11B*	12A	12B	12C	12D	12E			
Quadratic Transformation Puzzler																										X			X			X																				
Radical-Rational Exponent Puzzler																																											X	X								
Radicals Race																																											X									
Relating Regression																			X													X																				
Slope 4 Ways									X	X																																										
Slope Triangles									X	X																																										
Solution Scavenger Hunt																				X																													X			
Solution Sequence																				X																																
Sorting Sequences																																																X	X			
Sorting Sequences Too																																															X	X				
Subtracting Algebra Tiles																																					X															
Systems of Equations Memory Game																			X			X			X																											
The Radical-Rational Connection																																											X	X								
Two Rights & a Wrong Literal Equations																																																	X			
Two Rights & a Wrong Quadratics																																																				
What's My Domain and Range?	X																									X											X															

- Category 1 = 11 items, 2 readiness standards
- Category 2 = 12 items, 3 readiness standards
- Category 3 = 14 items, 5 readiness standards
- Category 4 = 11 items, 4 readiness standards
- Category 5 = 6 items, 2 Readiness standards
